SUBJECT: SNOWMOBILE, DUNE BUGGY, MOTORCYCLE, AND OTHER MOTOR-DRIVEN RECREATIONAL VEHICLE USE

The use of the above-captioned recreational vehicles on school property is authorized only if the following conditions are met:

- a) The vehicle is insured and registered as required by law.
- b) The driver has appropriate training and credentials to operate said vehicle.
- c) Any vehicle will be parked in District designated area.

The driver will, while riding on school property, exercise proper care and control to ensure the physical well-being of others, and will in no way interfere with any school activity.

It is understood that the District will assume no liability whatsoever for injury, death, property damage, or loss, damage to the vehicle and may at any time suspend or revoke this privilege.

Students may be required to obtain permission/a permit to park on school property.
