The Board recognizes and assumes the responsibility for all aspects of the transportation of children where the health and safety of students are involved, in light of its legal obligation to safeguard the welfare of bus-riding children. The purposes of the transportation program are to transport students to and from school, to transport them for extracurricular activities, to transport them on field trips, and to transport those requiring special services.

Bus routes are authorized by the Board and any requests for a change must be submitted to the Superintendent or designee.

Transportation services will be provided to meet the needs of the students of the District within specified limits and areas established by the Board.

School Bus Schedules

The District may either mail schedules directly to parents or request that parents pick up schedules at the school. If the District posts school bus schedules online, access to the schedules will be password protected.

Use of Buses by Community Groups

Upon formal application to and approval by the Board, buses may be rented or leased to a municipal corporation; to any senior citizen center recognized and funded by the Office for the Aging; to any not-for-profit organization serving those with disabilities; or, to any not-for-profit organization which provides recreational youth services or neighborhood recreation centers. Rentals or leases will be made only for times when vehicles are not needed for student transport and for a consideration acceptable to the Board which will not be less than the full amount of the costs and expenses resulting from the lease or rental.
