

SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY**Mission Statement:**

It is the belief of the Town of Webb UFSD that opportunities for students to achieve their fullest potential are maximized by regular school attendance that allows a student to take advantage of full interaction with his or her teachers and peers. The Town of Webb UFSD also believes that class attendance is a major component of academic success, and that improved student achievement will reduce the dropout rate. Therefore, it is the goal of Town of Webb UFSD to provide for the early identification of attendance problems and to establish effective methods to address such problems. Successful implementation of this policy will require cooperation among all members of the school community, including parents, students, teachers, administrators and support staff.

Purpose:

All children in New York State between the ages of six and 16 years of age in proper physical and mental condition shall receive full-time instruction in a school. 2. Sixteen days absent – letter to parent advising of a possible loss of credit with continued absences, three days of the After School Program from 3 p.m. – 5 p.m. to study and work on missed school work assigned, possible meeting with building principal and teachers, PINS Diversion, (referral for services), PINS Petition.

There is no difference between "excused" and "unexcused" absences for the purpose of these consequences.

Students will not be penalized for absences due to school-related activities/athletics but remain responsible to make up all missed work.

Athletic Probation – See Athletic Code.

Tardiness – See *Code of Conduct*.

A student has ten school days to make up missed class work/time with his or her teacher in another class, teacher designated study hall or at the teacher's discretion for an alternate time.

For additional absences beyond the 25, students will be required to stay for the After School Program for one session for every two absences that they acquire.

Intervention strategies must be attempted prior to course credit denial.
